MEMORY GAME

If you like, print this pattern page on the backside of page 1 before you cut them out so that cards are not see-through.

MEMORY GAME

HOW TO PLAY

Mix up the cards.

Place each card upside down on the table or floor in rows.

Each player will take turns flipping over two cards.

If the two cards match, the player will keep the cards.

If they don't match, flip them back over in the same spot.

The goal is to watch closely and remember where the cards are.

Whoever has the most pairs at the end, wins!
