## MATERIALS INCLUDED:

## MATERIALS NEEDED:

**STEP 1:** Print out all three of your cut out sheets onto some card.

**STEP 2:** These next few steps require the use of scissors, so you might need to ask an adult for some help! Cut out your bunny hat and fold it into a cone shape. Add a bit of glue to hold the hat in place. Staple some elastic to each side at the base of the hat.

**STEP 3:** Cut out some bunny ears and use some glue to hold these in place.

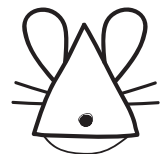

**STEP 4:** Use the pipe cleaners to create some whiskers by crossing them over each other. Cut out a triangle nose shape from your cut out sheet, and glue this over the top of the pipe cleaners to hold them in place.

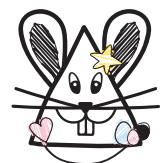

**STEP 5:** Take your shape cut out sheet and cut out some eyes, and a mouth. Use some glue to stick these in place.

**STEP 6:** Use some glue to stick your pom pom to the back of the hat to make a cute bunny tail.

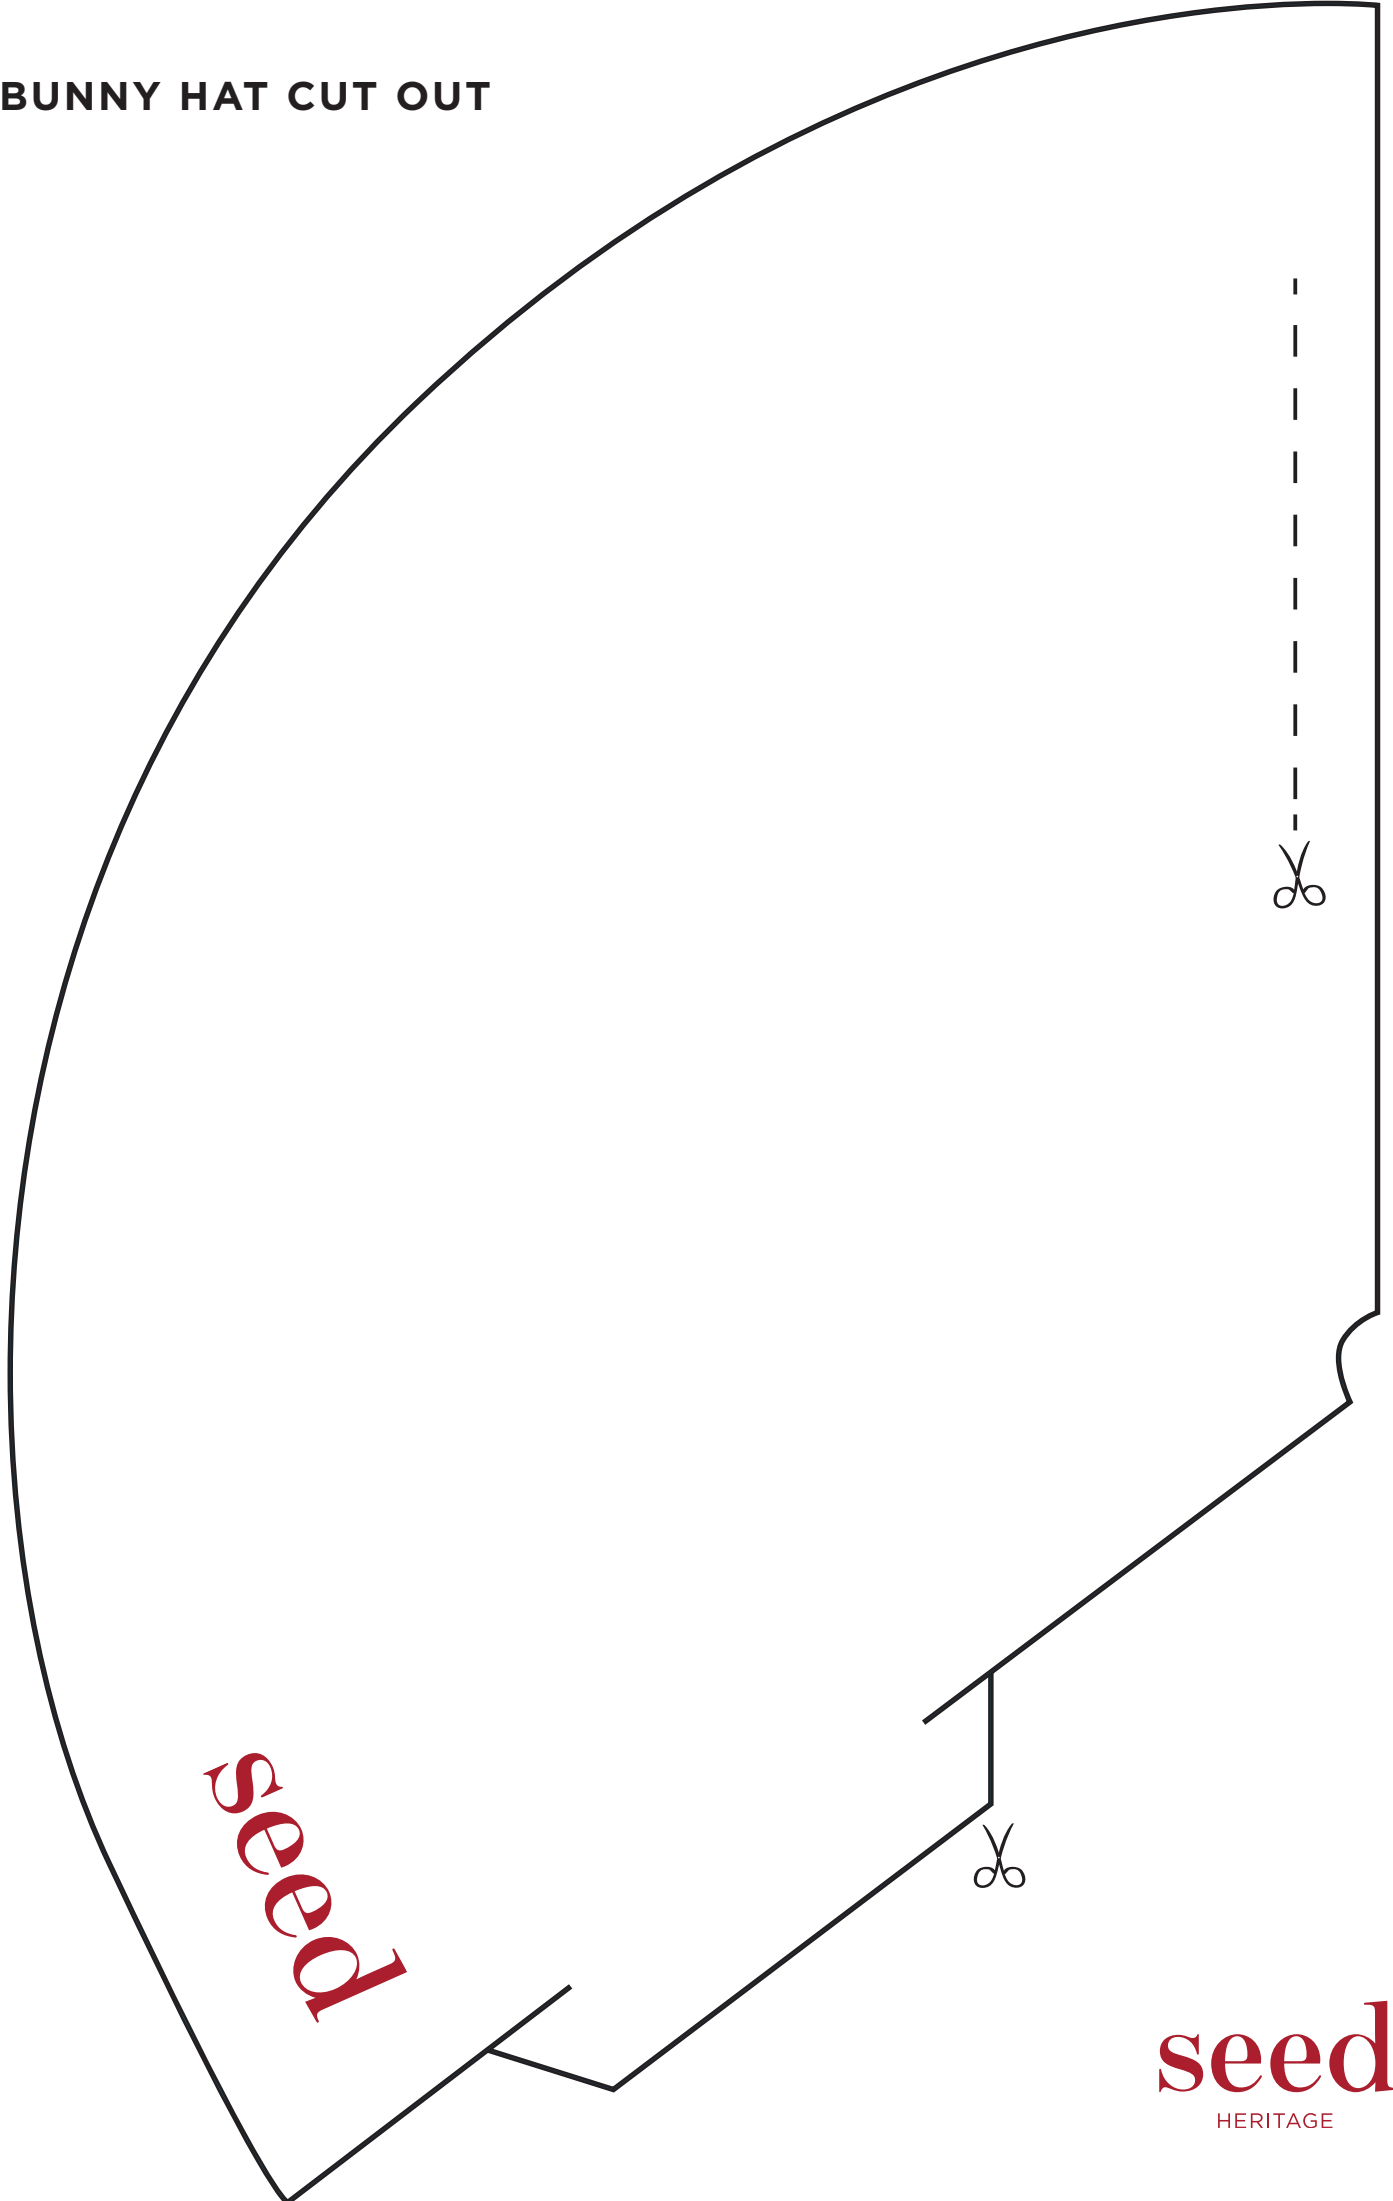

**STEP 7:** Cut out any additional shapes from the sheet that you would like to use to decorate your bunny hat and use some glue to stick these in place.

**STEP 8:** Share a photo of your beautiful bunny hat, and don't forget to tag #seedheritage #seedloveseaster
